9. Other Insurance.

If other valid and collectible insurance is available to the Insured for a loss the Insurer covers under Coverages A, B or D of this policy the Insurer's obligations are limited as follows:

(a) Primary Insurance

This insurance is primary except when (b) below applies. If this insurance is primary, the Insurer's obligations are not affected unless any of the other insurance is also primary. Then, the Insurer will share with all that other insurance by the method described in (c) below.

(b) Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

If no other Insurer defends, the Insurer will undertake to do so, but the Insurer will be entitled to all the Insured's rights against all those other Insurers.

When this insurance is excess over other insurance, the Insurer will pay only the Insurer's share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance. The Insurer will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations Page of this policy.

(c) Method of Sharing

If all of the other insurance permits contribution by equal shares, the Insurer will follow this method also. Under this approach each Insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit

contribution by equal shares, the Insurer will contribute by limits. Under this method, each Insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all Insurers.

This clause is applicable only when Premium Audit Adjustment terms are shown in the Declarations Page.

(a) The Insurer will compute all premiums for this policy in accordance with the Insurer's rules and rates.

- (a) As if each Named Insured were the only Named Insured; and
- (b) Separately to each Insured against whom claim is made or "action" is brought.

14. Transfer of Rights of Recovery Against Others to The Insurer.

If the Insured has rights to recover all or part of any payment the Insurer has made under this policy, those rights are transferred to the Insurer. The Insured must do nothing after loss to impair them. At the Insurer's request, the Insured will bring "action" or transfer those rights to the Insurer and help the Insurer enforce them.

15. Transfer of The Named Insured's Rights and Duties Under this Policy.

The Named Insured's rights and duties under this policy may not be transferred without the Insurer's written consent except in the case of death of an individual Named Insured. If the Named Insured dies, the Named Insured's rights and duties will be transferred to the Named Insured's legal representative but only while acting within the scope of duties as the Named Insured's legal representative.
