In no event shall there be any liability under this policy for the cost and expense of repairing or replacing any items which fail to recognize correctly the date change to the year 2000 or any other date change.

REPAIR CLAUSE

We reserve the right to repair or replace the vessel or any part thereof. Repairs may be made by applying suitable patches to the damaged hull area in accordance with good repair practice. - 2 Subject to the conditions, limitations and exclusions of the policy to which this clause attaches, the indemnity otherwise recoverable hereunder shall not be prejudiced by the use or operation of any computer, computer system, computer software programme, computer process or any other electronic system, if such use or operation is not as a means for inflicting harm.
- 3 Where this clause is endorsed on policies covering risks of war, civil war, revolution, rebellion, insurrection, or civil strife arising therefrom, or any hostile act by or against a belligerent power, or terrorism or any person acting from a political motive, paragraph 1 shall not operate to exclude losses (which would otherwise be covered) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.
