Claims Examples – Protection Services

The Protection Services policy provides essential insurance coverage for an industry that faces greater risks than ever before. Below are a few examples that will demonstrate how valuable this coverage is.

Tenant fell with guard assisting

Allege security guard is responsible for injuries sustained to a tenant who fell while guard was assisting with a walk through the site.

If this security guard had a Premier Protection Services policy, there may have been coverage for this claim. *

Error during installation

Allege during the installation of a new security system for their customer, the insureds employee cut through other existing wiring in the process.

If this insured had a Premier Protection Services policy, there may have been coverage for this claim. *

Ransom attack on computer system

Insured suffered a ransom attack on their computer system, hackers attempted to extort the insured for costs to return the data, the cost to rebuild the insured's data themselves exceeded the ransom demand.

If this insured had a Premier Protection Services policy, there may have been coverage for this claim. *

Negligent interview

Insured hired to assist with interviewing staff members surrounding an alleged workplace harassment complaint. The insured's customer terminated an alleged perpetrator of workplace harassment who in turn brought an action against the insured alleging that the interviews were negligent.

If this insured had a Premier Protection Services policy, there may have been coverage for this claim. *
