

Motorcycle Online Quote & Bind System Instructions

Premier Marine is pleased to provide an online quoting system and binding authority for our Motorcycle program. Our Quick E Quote system is designed to ask as few questions as possible and provide an instantly emailed quotation. Brokers can quote and bind physical damage coverage for motorcycles up to \$40,000 in value. Please see below for detail on obtaining and binding your Quick E Quote:

Complete a Quick-E-Quote at www.premiermarine.com – the quote will be emailed to you directly. (If you do not have a Quick-E-Quote log-in, please visit our website and click on the Online Quoting & Binding button, then ‘Create an Account’)

To bind, fax your binding instructions to 604-669-2667 (Western Canada) or email vancouver@premiermarine.com

- *Your faxed or emailed binding instructions must include the ‘quote id#’ from the quote emailed to you.*
- *The time and date of your transmission requesting binding will be the effective date and time of binding.*

You will receive a confirmation fax or email from Premier Marine on the same or next business day advising if any information is still outstanding. Please send in all outstanding information and ensure you receive a binder number from Premier before the 72 hour time period expires.

If all information is received by Premier Marine within the 72 Hours, you will receive a Binder number by fax. An annual policy will follow shortly thereafter.

If all required information is not received by Premier Marine within the 72 hour time frame, the temporary binder lapses and a three day (72 Hour) policy will be issued to your office. In this situation time on risk & policy fee will be charged to your office.

For more detail please refer to the instructions on your emailed Quick-E-Quote, or contact your underwriter.
