

**Form #AE6** (Rev. October 30, 2012)  
**Project Managers and Construction Management Extension Clause**

It is hereby agreed as follows:

This Policy is extended to include the Insured's activities as **CONSTRUCTION AND/OR PROJECT MANAGERS**. Coverage is limited to all sums which the **INSURED** shall become legally liable to pay as **DAMAGES** and **DEFENCE COSTS** as a result of any **CLAIM** arising out of any **WRONGFUL ACT** while acting as managers of a project where they are remunerated for a fee for their services and shall be limited to the overall control and general supervisions of the contract.

**UNDERWRITERS** shall not be liable to pay any **DEFENCE COSTS** or indemnify the **INSURED** against any **CLAIM** or **CLAIMS** arising directly or indirectly out of or in respect of:

1. resulting from the failure to procure or maintain any financing for the payment of contract work or services in connection therewith for any cause whatsoever;
2. any supervision of the building or engineering work that would ordinarily be exercised by a pure building or engineering contractor; and
3. arising out of or relating from the insolvency or bankruptcy of any party involved in any contract.

For the purposes of this Endorsement, the following definition is added to the Policy:

**CONSTRUCTION AND/OR PROJECT MANAGERS** shall mean: the coordination of construction activities; preparation of estimates of construction cost; advise on design documents, site use, and improvements; select and procure materials, building systems, and equipment; supervise the project schedule; coordinate and integrate construction and design services; oversee safety programs; advise on selection of contractors and wording of contracts; maintenance of records; and coordinate submittals.

Nothing herein contained shall vary, alter or extend any provision or condition of the Policy other than as above stated. This Endorsement attaches to and forms part of the Policy.
