

Form #IDC (Rev. June 2018)
Import Duty Clause

This insurance also covers, subject to policy terms of average, the risk of partial loss by reason of perils insured against on the duties imposed on goods imported into Canada and/or the United States and insured hereunder, it being understood and agreed, however, that when the risk upon the goods continues beyond the time of landing from the overseas vessel, the increased value, consequent upon the payment of such duties, shall attach as an additional insurance upon the goods from the time such duty is paid or becomes due, to the extent of the amounts thereof actually paid or payable.

Any limit of liability expressed in this policy shall be applied separately to such increased value.

The Assured warrants that on all risks insured hereunder a separate amount shall be reported sufficient to cover the said duty, upon which the rate of premium shall be an agreed percentage of the merchandise rate.

The Assured will, in all cases, use reasonable efforts to obtain abatement or refund of duties paid or claimed in respect of goods lost, damaged or destroyed. It is further agreed that the Assured shall, when this Company elects, surrender the merchandise to the customs authorities and recover duties thereon as provided by law, in which event the claim under this policy shall be only for a total loss of the merchandise so surrendered and expenses.

This insurance on duty and /or increased value shall terminate at the end of the import movement covered under this policy (including the Warehouse to Warehouse and Marine Extension Clause, if incorporated therein), but nothing contained in these clauses shall alter or affect any coverage granted elsewhere in the policy during the storage or transit subsequent thereto.
