

**Form #R3-S (Rev. Oct. 29, 2012)**  
**Sewer Backup Sublimit Clause**

It is hereby understood and agreed that any loss or damage due to rupture or bursting, backing up or escape of water from a floor drain or sump, sanitary sewer, septic tank eavestrough or downspout, will be limited to the sublimit as shown on the declarations page. The sublimit is the most insurers will pay regardless of the number of occurrences during the policy period.

All other terms and conditions remain unchanged.
