In that case, the additional period will be deemed part of the last preceding Policy Period for purposes of determining the Limits of Insurance.

SECTION IV DEDUCTIBLE

1. Deductible Amount

The deductible amount as stated in the "Declaration Page(s)" applies to all compensatory damages as the result of any one occurrence. The Insurer's obligation to pay compensatory damages on behalf of the Insured applies only to the amount of compensatory damages in excess of the deductible amount, where applicable. An agreed settlement means a settlement and release of liability signed by the Insurer, the Insured and the claimant or the claimant's legal representative. Every "action" or proceeding against the Insurer shall be commenced within one year next after the date of such judgement or agreed settlement and not afterwards. If this Policy is governed by the law of Quebec every "action" or proceeding against the Insurer shall be commenced within three years from the time the right of action arises.

7. Other Insurance

If other valid and collectible insurance is available to the Insured for a loss the Insurer's obligations are limited as follows:

When this insurance is excess over other insurance, the Insurer will pay only the Insurer's share of the amount of the loss, if any, that exceeds the sum of:
 - (i) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (ii) The total of all deductible and self-insured amounts under all that other insurance.The Insurer will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown on the "Declaration Page(s)" of this Policy. The Insurer will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown on the "Declaration Page(s)" of this Policy.
- c. Method of Sharing
If all of the other insurance permits contribution by equal shares, the Insurer will follow this method also. Under this approach each Insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, the Insurer shall contribute by limits. Under this method, each Insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all Insurers.

11. Transfer of Rights of Recovery Against Others to the Insurer

If the Insured has rights to recover all or part of any payment the Insurer has made under this Policy, those rights are transferred to the Insurer. The Insured must do nothing after loss to impair them. At the Insurer's request, the Insured will bring an "action" or transfer those rights to the Insurer and help the Insurer enforce them.

12. Transfer of the Named Insured's Rights and Duties Under this Policy

The Named Insured's rights and duties under this Policy may not be transferred without the Insurer's written consent except in the case of death of an individual Named Insured.
