Understanding this Policy

Coverage under this Policy is provided on a claims made and reported basis and applies only to losses discovered by you during the Period of Insurance and reported to the Underwriters during the Period of Insurance.

This **Policy** must be read in its entirety as Conditions, Exclusions and other limitations apply. The **Insured** must comply with the terms of this **Policy**. Failure to do so may result in refusal or reduction of a claim where that claim has been affected by any failure to comply.

The descriptions in the headings and subheadings of this **Policy** are solely for convenience and reference and are not intended to limit or extend the scope of the provisions.

Terms that appear in bold face type are defined in the Definitions section of this Policy. Terms with capitalised first letters are defined in more detail in this Policy or as the context requires. Please read this Policy carefully. Any obligation or payment owed by Underwriters shall in every case be subject to the Limits of Liability specified in the Declarations Page.
