Commercial General Liability Policy

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

The word "insured" means any person or organization qualifying as such under SECTION II WHO IS AN INSURED. Other words and phrases that appear in quotation marks have special meaning.

6. **Examination of Your Books and Records.**
We may examine and audit your books and records as they relate to this policy at any time during the policy period and up to three years afterward.
7. **Inspections and Surveys.**
We have the right but are not obligated to:
 - a. Make inspections and surveys at any time;
 - b. Give you reports on the conditions we find; and
 - c. Recommend any changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. We do not warrant that conditions:

- a) Are safe or healthful; or
- b) Comply with laws, regulations, codes or standards.

This condition applies not only to us, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations.

No person or organization has a right under this policy:

- a. To join us as a party or otherwise bring us into an "action" asking for compensatory damages from an insured; or
- b. To sue us on this policy unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial; but we will not be liable for compensatory damages that are not payable under the terms of this policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative. Every "action" or proceeding against us shall be commenced within one year next after the date of such judgement or agreed settlement and not afterwards. If this policy is governed by the law of Quebec every "action" or proceeding against us shall be commenced within three years from the time the right of action arises.

9. Other Insurance.

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A, B or D of this policy, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

- 1) That is Property Insurance such as, but not limited to, Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work" or for premises rented to you; or
- 2) If the loss arises out of the maintenance or use of watercraft to the extent not subject to Exclusion f. of Coverage A (Section I).

When this insurance is excess, we will have no duty under Coverage A, B or D to defend any claim or "action" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to all the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- 1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- 2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this policy.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

10. Premium Audit.

- a. We will compute all premiums for this policy in accordance with our rules and rates.
- b. Premium shown in this policy as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, we will return the excess to the first Named Insured subject to the retention of the minimum premium shown in the Declarations of this policy.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

11. Premiums.

The first Named Insured shown in the Declarations:

- a. Is responsible for the payment of all premiums; and
- b. Will be the payee for any return premiums we pay.

12. Representations.

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

13. Separation of Insureds, Cross Liability.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "action" is brought.

14. Transfer of Rights of Recovery Against Others to Us.

If the insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "action" or transfer those rights to us and help us enforce them.

15. Transfer of your Rights and Duties Under this Policy.

Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured.

If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

16. Deductible Clause

- (a) If a deductible amount is shown in the Declarations, the Insurer's obligation under Coverage A to pay as compensatory damages because of "bodily injury" or "property damage" applies only to the amount of compensatory damages in excess of the deductible amount stated in the Declarations. The limits of insurance applicable to each "occurrence" for "bodily injury" and "property damage" liability will be reduced by the amount of such deductible. The Aggregate Limit for such coverages shall not be reduced by the application of such deductible amounts.
- (b) The deductible amount applies to all compensatory damages because of "property damage" sustained by any one person or organization as the result of any one "occurrence".
- (c) The deductible amount in the Declarations specifies a deductible on a "per claim" or "per occurrence" basis. In the event of a "per claim" deductible, if more than one claim arises out of the same "occurrence", then the deductible amount shall be applied to each claim separately. In the event of a "per occurrence" deductible, then the deductible amount shall be applied once to each "occurrence" regardless of the number of claimants involved.
