However, if the loss amount exceeds \$25,000 the deductible is waived. If the peril of Earthquake is listed on the Declarations Page, the deductible is not waived under any circumstances.

BASIS OF CLAIM PAYMENT

We will pay for Insured loss or damage, up to your financial interest in the property, but not exceeding the applicable amount(s) of Insurance shown on the Declarations Page for each Coverage, for any loss or damage arising out of one occurrence.

Any loss or damage shall not reduce the amount(s) of insurance provided by this policy except in the event of total or constructive total loss, in which case the total premium of the policy shall be earned in full.

If the Insurance applies to the property of more than one person, our liability for loss sustained by those persons shall be limited, in the aggregate, to the applicable limit of Insurance as shown in the Declarations.

One of the following basis of claim payment schemes applies, as indicated on the Declarations Page:

Actual Cash Value; or Replacement Cost.

Actual Cash Value

We will pay whichever is the least of:

1. The actual cash value of the property at the time of loss;
2. What it would cost to repair or replace the property with materials of similar quality at the time of loss ;
3. The amount shown on the Declarations Page.

We will pay for no greater proportion of any loss than the amount bears to 90% of the actual cash value of the property. If this policy insures two or more items, this condition shall apply to each item separately.

We pay for the loss of or damage to, or may repair or replace the property. We may take over salvage if we wish.

Within 60 days after the loss you must submit to us, under oath if required, a Proof of Loss Form containing the following information:

1. The amount, place, time and cause of loss;
2. The interest of all persons in the property affected;
3. The actual cash value of the property at the time of loss.

If necessary, you must help us verify the damage.

Replacement Cost

If, on the Declarations, it is indicated that loss settlement shall be on a "Replacement Cost" basis, the following conditions apply.

Tiny or Mini Home Dwelling Building and Detached Private Structures: If you repair or replace the damaged or destroyed building on the same location with a building of the same occupancy, constructed with materials of similar quality, within a reasonable time after the loss or damage, you may choose, as the basis of loss settlement, either (A) or (B) below: or, otherwise settlement will be as in (B).

- A. The cost of repairs or replacement (whichever is less) without the deduction for depreciation, in which case we will pay in the proportion that the applicable amount of Insurance bears to 90% of the replacement cost of the damaged building at the date of damage but not exceeding the actual cost incurred.
- B. The Actual Cash Value of the damage at the date of occurrence.

Personal Property: We will pay the cost to repair or replace, whichever is less, at the time of the loss or damage with new materials of like kind and quality, without deduction for depreciation;

- Provided the repair or replacement is executed with due diligence and promptly;
- The amount we pay will be the lesser of the actual expenditure to repair or replace, but not exceeding the applicable limit of insurance.

The replacement cost basis of settlement does not apply to:

- a. Property which was not in good and workable condition;
- b. Property not being used by you, or being stored by you, unless the property is intended for use and only temporarily out of service;
- c. Articles, which by their inherent nature cannot be replaced with same or similar articles, such as: antiques, fine arts, paintings, statuary, memorabilia, souvenirs, photographs, negatives, rare books, manuscripts and collectors' items;
- d. Other similar articles the age, history and rarity of which contribute significantly to their value;
- e. Property, which at the time of loss or damage is no longer manufactured, or is unobtainable, but we will pay the cost of a new article of comparable quality and usefulness.

If you do not Repair or Replace

If you choose not to repair or replace any article, we will pay for the loss or damage to that article on the basis of "Actual Cash Value".

Bylaws Coverage: If it is indicated on the Declarations that loss settlement shall be on a "Replacement Cost" basis for the tiny or mini home, then we will pay the additional cost of demolition, construction or repair which is required to comply with any laws regulating demolition, construction or repair of buildings.

However, we will not be liable for more than the least of:

1. 15% of the limit shown under Coverage "A" or;
2. The replacement cost of that part of the property damaged, for equivalent construction, and use on the same premises; or;
3. The amount actually necessary to repair or replace the damaged property at another location, if any ordinance or law regulating the construction, repair or demolition of the building prohibits replacement on the same premises.

This extension will not increase the limit of insurance shown under Coverage "A" on the Declarations Page.

SPECIAL CONDITIONS

Insurance Under More Than One Policy:

Subrogation:

The insurer, upon making any payment or assuming liability therefor under this policy, shall inherit or be subrogated to all rights of recovery of the insured against any person, and may bring action in the name of the insured to enforce such rights. Where the net amount recovered, after deducting the costs of effecting the recovery, is not sufficient to provide a complete indemnity for the loss or damage suffered, that amount shall be divided between the insurer and the insured in the proportion in which the loss has been borne by them respectively.

No Benefit to Bailee:

It is warranted by the insured that this insurance shall in no way enure directly or indirectly to the benefit of any carrier or other bailee.

Pair and Set:

In the case of loss of or damage to any article or articles, whether scheduled or unscheduled, which are part of a set, the measure of loss of or damage to such article or articles shall be a reasonable and fair proportion of the total value of the set, but in no event shall such loss or damage be constructed to mean total loss of the set.

Parts:

In the case of loss of or damage to any part of the insured property whether scheduled or unscheduled, consisting, when complete for use, of several parts, the insurer is not liable for more than the insured value of the part lost or damaged, including the cost of installation.

Permission Granted:

You are allowed to:

1. Make alterations, additions or repairs to the tiny or mini home
2. Keep and use reasonable quantities of oil, fuel oil, liquefied petroleum gas, gasoline, benzene, naphtha or similar materials for normal use.
