SPECIAL CONDITIONS

12. (a) Report and Premium Adjustment

This clause applies only if this Form is on a Reporting Basis and an adjustment rate is shown in the "Declarations". The premium stated in this Policy is provisional. The Insured shall report to the Insurer within thirty (30) days after the expiration or anniversary date of this policy, the total completed contract price of all contracts, plus the value of any and all materials, equipment, machinery and supplies of any nature, the property of others, not included in such completed contract price. Except, however, with respect to any projects which are incomplete at the date of such expiration or anniversary the insured shall report to the Insurer that proportion of the completed contract price, plus the value of any and all materials, equipment, machinery and supplies of any nature not included in the completed contract price, which has been completed or installed.

The actual premium shall then be calculated at the rate specified in the "Declarations". If the premium so calculated exceeds the provisional premium the Insured shall pay to the Insurer the amount of such excess. If such premium is less than the provisional premium the Insurer shall refund to the Insured the amount of the difference.

(b) Records

The Insurer or its duly appointed representative shall be permitted at all reasonable times during the term of the Policy, or within a year after expiration, or anniversary date to examine the Insured's books, records and such policies as they relate to any property insured hereunder. Such inspection or examination shall not waive nor in any manner affect any of the terms or conditions of this Policy.

(c) Property of Others

At the option of the Insurer, any loss may be paid to the Insured or adjusted with and paid to the customer or the owner of the property.

(d) Breach of Conditions

Where a loss occurs and there has been a breach of condition relating to a matter before the happening of the loss, which breach would otherwise disentitle the Insured from recovery under this Form, the breach shall not disentitle the Insured from recovery if the Insured establishes that the loss was not caused or contributed to by the breach of condition or if the breach of condition occurred in any portion of the premises over which the Insured has no control.

(e) Permission

Permission is granted to do such work and to keep and use such articles, materials, and supplies in such quantities as are usual or necessary to the Insured's business.

(f) Description of Property

It is agreed that this insurance shall not be prejudiced by an unintentional error in description or amount hereof, provided prompt notice be given the Insurer as soon as said facts become known to the Insured, and additional premium paid if required.

(g) Other Insurance

If at the time of loss or damage there is available to the Insured any other insurance which would apply in the absence of this policy, the insurance under this Form shall apply only as excess insurance over such other insurance.

(h) Reinstatement

Loss under any item of this Form shall not reduce the applicable amount of insurance.

(i) Locked Vehicle Warranty

With respect to small portable equipment, it is warranted by the Insured that any vehicle in which the insured property is carried is equipped with a fully enclosed metal body or compartment, and the Insurer shall be liable in case of loss by theft from an unattended vehicle only as a direct result of forcible entry (of which there shall be visible evidence) into such body or compartment, the doors of which are securely locked and the windows closed. This clause shall not apply to property which is under the control of a common carrier.

(j) Notice to Authorities

Where the loss is due to malicious acts, burglary, robbery, theft or attempt thereat, or is suspected to be so due, the Insured shall give immediate notice to the police or other authorities having jurisdiction.

(k) No Benefit to Bailee

It is warranted by the Insured that this insurance shall in no wise enure directly or indirectly to the benefit of any carrier or other bailee.

(l) Pair and Set

In the case of loss of or damage to any article or articles, whether scheduled or unscheduled, which are a part of a set, the measure of loss of or damage to such article or articles shall be a reasonable and fair proportion of the total value of the set, but in no event shall such loss or damage be construed to mean total loss of set.

(m) Parts

In the case of loss of or damage to any part of the insured property, whether scheduled or unscheduled, consisting, when complete for use, of several parts, the Insurer is not liable for more than the insured value of the part lost or damaged, including the cost of installation.

(n) **Sue And Labour**

It is the duty of the Insured in the event that any property insured hereunder is lost to take all reasonable steps in and about the recovery of such property. The Insurer shall contribute pro rata towards any reasonable and proper expenses in connection with the foregoing according to the respective interests of the parties.

(o) **Basis Of Settlement**

Unless otherwise provided, the Insurer is not liable beyond the actual cash value of the property at the time any loss or damage occurs and the loss or damage shall be ascertained or estimated according to such actual cash value with proper deduction for depreciation, however caused, and shall in no event exceed what it would then cost to repair or replace the same with material of like kind and quality.

(p) **Subrogation**

The Insurer, upon making any payment or assuming liability therefor under this Policy, shall be subrogated to all rights of recovery of the Insured against others and may bring action to enforce such rights. Notwithstanding the foregoing, all rights of subrogation are hereby waived against any corporation, firm, individual or other interest with respect to which insurance is provided by this Policy. Where the net amount recovered, after deducting the costs of recovery is not sufficient to provide a complete indemnity for the loss or damage suffered, that amount shall be divided between the Insurer and the Insured in the proportion in which the loss or damage has been borne by them respectively. Any release from liability entered into by the Insured prior to loss shall not affect the right of the Insured to recover.

(q) **Termination Of Insurance**

- (1) This contract may be terminated,
 - (a) by the Insurer giving to the Insured written notice of termination at least:
 - fifteen days before the effective date of termination if the contract is terminated by registered mail for non-payment of premium; or
 - by the Insured at any time on request.
 - (2) If the contract is terminated by the Insurer,
 - (a) the Insurer must refund the excess of premium actually paid by the Insured over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in the contract, and
 - (b) the refund must accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund must be made as soon as practicable.
 - (c) the written notice will be mailed or delivered to the Insured's last known mailing address.
 - (3) If the contract is terminated by the Insured, the Insurer must refund as soon as practicable the excess of premium actually paid by the Insured over the short rate premium for the expired time specified in the contract, but in no event may the short rate premium for the expired time be less than any minimum retained premium specified in the contract.
 - (4) The fifteen thirty days referred to in subparagraph (1) (a) of this condition starts to run on the day the registered letter or notification of it is delivered to the insured's postal address.

(r) **Contribution**

If on the happening of any loss or damage to property in consequence of which a claim is or may be made under this policy there is in force more than one contract covering the same interest, the liability of the Insurer hereunder shall be limited to its rateable proportion of such claim.
