7.
 - (a) **Locked Vehicle Warranty**
It is warranted by the insured that any vehicle in which the property insured is carried is equipped with a fully enclosed metal body or compartment, and the Insurer shall be liable in case of loss by theft from an unattended vehicle only as a direct result of forcible entry (of which there shall be visible evidence) into such body or compartment the doors and windows of which shall have been securely locked.

 - (b) **Basis of Settlement**
Unless otherwise provided, the Insurer is not liable beyond the actual cash value of the property at the time any loss or damage occurs and the loss or damage shall be ascertained or estimated according to such actual cash value with proper deduction for depreciation, however caused, and shall in no event exceed what it would then cost to repair or replace the same with material of like kind and quality.
 - (c) **Breach of Conditions**
Where a loss occurs and there has been a breach of condition relating to a matter before the happening of the loss, which breach would otherwise disentitle the Insured from recovery under this Form, the breach shall not disentitle the Insured from recovery if the Insured establishes that the loss was not caused or contributed to by the breach of condition or if the breach of condition occurred in any portion of the project over which the Insured has no control.
 - (d) **Other Insurance**
Where there is any other valid and collectible insurance providing indemnity for loss for which this Form provides indemnity, the Insurer shall be liable only for its rateable proportion of the loss.

At the option of the Insurer, any loss may be paid to the Insured or adjusted with and paid to the customer or owner of the property.
