

Are you making the right choice when scheduling a boat onto a Homeowners Insurance Policy?

PROTECT YOUR CLIENTS CLAIMS RECORD

When a boat is added to a home insurance policy, your client runs the risk of losing their claims free discount (and affecting their eligibility with the homeowners market) should they have a loss on the boat. If you buy a stand-alone boat policy with Premier, you protect their homeowners loss record.

TRUE MARINE COVERAGE

A Premier policy is a true marine policy, providing important marine coverage, not available on a homeowners form:

- · P&I Marine Liability
- \$1 Million Pollution / Spill Liability
- · Removal of Wreck Coverage
- · Uninsured Boater Coverage

CLAIMS EXPERTS

If a claim does occur, your client will enjoy the experience of working with a knowledgeable marine expert – someone who can talk boat!

NEW FOR 2014

Premier's stand-alone boat policy starts as low as \$95

Place your Marine Business with Premier Canada's Largest Provider of Marine Pleasurecraft Insurance
